

HOW TO START PRESENTING

Step 1: Connect your device to Wi-Fi network SUS-SURF

Step 2: **ALTERNATIVE A** **RECOMMENDED**
Connect wirelessly using **AirServer**

nätverk:
SUS-SURF
lösenord:
FriText27

Windows

- Press **Windows logo key + K** to open the Connect quick action
- Select **[ROOM NAME]** from the list
- Enter **password** (4 or 8 digits, no space) that is showing on the TV

We highly recommend using the room's own laptop.

macOS (Apple MacBook)

- Click the **Control Center icon** in the menu bar
- Select **Screen Mirroring**
- Select **[ROOM NAME]**

Android (Samsung etc.)

- Swipe down (once or twice) from the top of your screen
- Tap **SmartView / Cast**
- Select **[ROOM NAME]**

iOS (Apple iPhone/iPad)

- Open Control Center
- Tap **Screen Mirroring**
- Select **[ROOM NAME]**

ChromeOS (Chromebook)

- At the bottom right, select the time
- Select **Cast devices available**
- Select **[ROOM NAME]**

ALTERNATIVE B

Connect using **HDMI cable**

- Ask front desk staff for assistance with changing settings on the TV.
- Connect HDMI cable (on the wall, next to the TV) to your device.
You may need an adapter.
